

FATHERHEART MINISTRIES

Women's

Father Heart

weekend

**EURAJOKI CHRISTIAN INSTITUTE
FRI-SUN 28.-30.8.2026**

Who is She?

*Who is She comes from a deep cry in the heart:
that women would come home to who they truly are -
beloved daughters of God. For many, the feminine
has been hidden, shaped by culture, silence, and loss
of identity. But this is a time of restoration.
As women rediscover their voice and place
of belonging, they begin to carry comfort, love,
and strength into the world around them.
You are seen. You are needed. You belong.*
